

# VOTING BY MAIL-IN BALLOT

## SECURE & PRIVATE

Mail-in ballots are handled with the same tried-and-true security protocols that are used for absentee ballots.

## EASY TO VOTE

If you're a registered voter, mail-in ballots let you vote from the comfort and security of your own home.

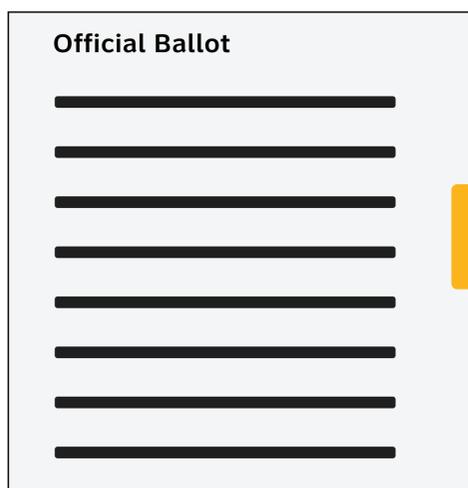

## EASY TO APPLY

You can apply for a mail-in ballot using a paper application, online at [votesPA.com](https://votesPA.com), or in person at your county election office.

## HOW TO RETURN YOUR MAIL-IN BALLOT

### OFFICIAL BALLOT

### WHITE INNER SECRECY ENVELOPE THAT INDICATES OFFICIAL BALLOT

### PRE-ADDRESSED OUTER RETURN ENVELOPE WHERE THE VOTER SIGNS

**SIGN HERE**

Make sure to put your ballot in the white inner secrecy envelope that indicates official ballot AND put that into the pre-addressed outer return envelope where you must sign. Your ballot will not be counted if it is not in both envelopes. You can only return your own ballot unless you are a voter with a disability who has designated an agent in writing.
